Jacksonville Women Lawyers Association

Jacksonville Women Lawyers Association (“JWLA”) was founded in 1982. Today, we continue our mission to actively promote gender equality and leadership roles of our members in the legal profession, judiciary, and community at large. JWLA membership is open to all attorneys, male or female, as well as law students and non-attorneys who fall within the Affiliate or Strategic Partner Membership categories.

The JWLA is honored to celebrate our local, state, and federal judges, magistrates, Hearing Officers, and their Judicial Assistants at the annual Judicial Reception. This year’s theme, “Unique But United,” was chosen to honor and embrace the differences that empower our profession and create a welcoming, robust legal community. The JWLA is proud to celebrate our vibrant legal institution on our 43rd Anniversary.
